Has Spring finally arrived? We just need a little less wind. Tuesday night men's league started along with Lads & Lassies on Wednesday evenings and the turnout has been great. If you haven't had a chance to join us, please do. If you're new to the club, it's a great way to meet people. There are also both men and ladies golf games during the week, and we have multiple games on the weekends. Everyone would love to have you be a part of it. Everyone had a great time at the Poker Run/Golf Scramble Saturday and the music was great at the after-party. Thank you for all the donations which will be used to buy additional pool/patio furniture and thanks to everyone on the social committee for putting this together. Congratulations to Shelley Roberson for winning the golf fitting and new clubs! Our first big tournament is this weekend with the Spring Ramble, and towards the end of the month we have the Spring Member-Member, so come out and enjoy.

See you at Lakewood...Bryan.

Greens & Grounds - Trevor Vestal & Betty Hand

The Greens and Grounds spring activities continue with top dressing (sanding) the greens, spraying for weeds and mowing. We anticipate starting on the new green collars very soon and have order several trees for planting along hole #1. You may have noticed we have removed the dead/diseased azaleas at hole #11 tee box, to be revisited in the fall for possible new plantings.

There are cart path only restrictions in effect on all Par 3s, holes #1, #2. And as a general rule please do not drive through the ditch on #11 when wet. As a standard year-around rule, with the exception of parking on the cart path, carts should not be parked or driven within 50 yards from the greens in all directions.

External Facilities Jamie Hicks

Great news! The pool has been uncovered and all four pool lights are working once again. The kiddie pool has to have a new filter unit and that should be here in the next week or two.

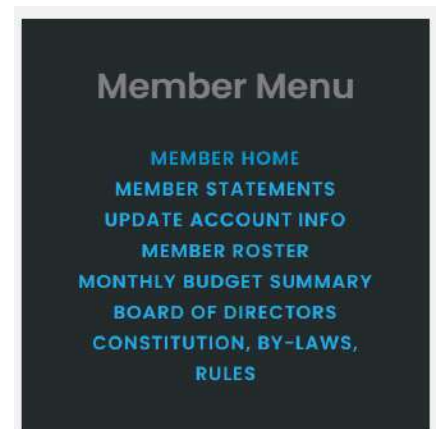

The pool will be ready for Memorial Day Weekend.

Finance - Mike Melton

March 2024 financial results should be posted to the membership website before the end of April. Please visit the website to review the numbers.

Thanks, Mike

We are still having issues with the central unit leaking into the ladies locker room area. We are working on a long term plan to permanently fix the problem.

Nothing else to report.

Thanks - Sam
