Words from our President - Tommy Dennis

September was a great month for golf at the club. We had the Fall Member/Member, Labor Day scramble, Blood Assurance and the Lads and Lassies championship. Congratulations to the team of Greg Gates/Betty Hand. Shootout winners Therese/Jeff Biniek and don't forget Bryan Hall's hole in one on #18. Thanks to Martha and Dan Merz for all their time and commitment of putting together such a great summer.

We also want to thank all the volunteers as they have worked hard around the clubhouse and on the golf course to keep our 2nd home in great shape.

The Workhorses have been doing a lot of work to get the greens ready to convert to Tif Eagle. They will continue to do projects through the rest of the year. If you are interested in helping, sign up in the pro shop.

We will get together as a membership on Monday October 3rd at 6 p.m. to communicate the process, timeline and commitment from our members in order to convert our greens in 2023.

The season is winding down but fall is a good time to enjoy the game and support your club. One more round and one more meal is a great way to do that. I hope to see you at the club soon.

The weather has been beautiful the past few weeks and the greens are improving greatly. The roller has been repaired and is back in use and will help the quality of the greens. The workhorses have had a couple of Mondays of sodding greens 3, 4, 7 and 15, and some patch work on greens 1, 2, 3, 5, and 8. We still have some work to do to repair the damage to our greens and hope to have that done in the next few weeks. We will then backfill the putting green with sand and seed it.

This is a great time of the year to play golf and I hope you're able to get out and enjoy the course. Please attend the meeting on Monday night to discuss changing over to Bermuda greens next year. Repair your ball marks on the greens. I play a lot of golf in the late afternoons and repair at least 3 to 4 ball marks per green, most are very obvious. This is your golf course, please take care of it. See you on the course.. Clay

Hi everyone,

We are coming down the home stretch of the season. The weather has cooled and this is perfect golfing weather for the next few weeks. We have a whirlwind of golfing activities coming up.

- The ever popular Fall Ramble gets cranked up on October 8th and 9th. There is room for a few more teams if you are interested. Call the proshop to sign up.
- The T.A.C.C Scramble will be held on October 14th. Let us know if you want to participate in this event.
- The 25th annual Baits Cup will be held on October 21-23. This is a Ryder Cup type event with plenty of drama. Are you rooting for Team Uselton or Team McCord.

And.. in other news we had 2 hole-in-one's at Lakewood this month (see below) - and Dan Waggoner added a 2nd hole-in-one playing in a tournament in Florida - 2 in the same month! Congrats to Bryan & Dan

It has been a busy year and our entire golf staff thanks you for all the fun events we have hosted this year. We truly enjoy the camaraderie and seeing everyone enjoying their golfing experience at Lakewood Golf & Country Club.

Thanks, Mike

Pool & Tennis - Betty Hand

Thank you for your support of the Lakewood pool and tennis courts. During the time the lifeguards were on duty this summer, the pool hosted over a 1000 member, dependent and or guest visits. This also includes being a part of the Kids Camp days that when paired with golf and tennis are always a summer treat for our children and grandchildren. We are in the process of gathering bids to correct the fence around the tennis courts and erosion problem as well as looking at other improvements to the court facilities. With the fall weather there is renewed interest in installing a fire pit behind the 19th Green. More to come!

Come play Lakewood Pickleball Wednesday Oct. 12th!

If you are not familiar with Pickleball, it is a fun and addictive game that combines elements of tennis, badminton and ping-pong. It's played with paddles and a ball similar to a whiffle ball. Pickleball can be played as either doubles or singles. It is easy for beginners to learn but can develop into a competitive game for experienced players.

We are going to have our first Pickleball games at the Lakewood tennis courts on Wednesday, October 12th from 5:30pm to 8pm, intending to make it a regular weekly event. We invite both beginners and experienced players. We have two courts lined for pickleball and depending on the players and skill level we will plan to have one court for the experienced players and one for beginners just learning to play. If you have pickleball paddles and balls please bring them but if not, no worries we will have extras. Reach out to Shea Gaither or Betty Hand if you have any questions.
