WORDS FROM OUR PRESIDENT

2025 Board of Directors

Bryan Hall - President
Trent McNabb - Vice President & Golf/Pro Shop
Josh Clarey - Treasurer & Finance
Betty Hand - Secretary & Membership
Greg Gates - Greens & Grounds
Steve Cope - Restaurant & Bar
Jamie Hicks - External Facilities
Brad Hardy - Club House Facilities
Bita Jordan - Social

Thanks to all the volunteers for the Halloween event and the Friendsgiving dinner, everyone had a great time.

If you haven't met our new Golf Pro, I encourage you to do so. Brad will be a great addition to the Lakewood Family.

I suppose this is my last "Words from our President" newsletter. After six years serving on the board with the last two years as your President, I truly believe we have something special here at Lakewood and it was an honor serving you all. Thank you for your support, your patience and your enthusiasm. The board and committees have accomplished a lot over the last six years and I am proud to be a part of that. To the board members that served with me over the years, I want to thank everyone as I have truly enjoyed working with you. As for the group that has been on the board the last two years and helped me during my term as President, a special thank you for all your hard work and for making me look good. I truly appreciate your commitment to the club and the focus on what is important.

Don't forget our annual membership meeting on December 15th, I hope to see everyone there.

Bryan

WELCOME TO LAKEWOOD

MEMBERSHIP - PENNY PANTER & BETTY HAND

As a member owned entity, it is key that Lakewood's Accounts Receivables meet expectations month-over-month to stay on budget and provide the financial security to operate the various club's departments. I'm proud to share that our Aging Accounts Receivables have significantly declined this year with a majority of our membership paying the full balance and on-time. As a reminder the Range Plan is a mandatory Golf Membership yearly fee of \$165 that will be included on the January invoice.

PLEASE MAKE SURE THE BUSINESS OFFICE & GOLF SHOP HAVE YOUR EMAIL SO THAT YOU CAN KEEP UP TO DATE WITH EVERYTHING LAKEWOOD!

A huge thank you for the warm welcome! It has only been a couple of weeks, and I have already met so many wonderful people. I can't wait to bring my wife out to introduce her to the members and staff at Lakewood

Merchandise - For those that have been through the Golf Shop recently, you may have noticed we are pretty bare. Please keep checking as we are working hard to build our inventory back up! We have lines from Footjoy and Turtleston arriving in the next couple of weeks! **GREENS & GROUNDS - TREVOR
VESTAL & GREG GATES**

As we enter the winter season, as expected we are seeing grass growth slow down and turf going dormant. The majority of the staff's attention will be leaf removal maintaining the ability to play. Our fall/winter project will primarily be tree limbing. This will promote grass growth under trees while creating better visibility and ease of mowing for our crew.

2026 will bring challenges as we address irrigation system issues. Trevor will first address holes 10 & 11 intending to run new wiring to existing heads.

Hole 12 back tee box project has been completed. With the removal of the trees, we expect a huge improvement in the future.

Lastly, as you recall we upgraded all the tee markers this year. This winter we plan to upgrade all the Hazard Markers around the golf course. We have all the materials for this project, but if working with wood or painting is something you enjoy, let us know! We would like to have some help for this project should anyone be interested. The new markers will match the existing tee markers.

We appreciate the support and all the recent comments about the golf course as we strive toward continuous improvement.

CLUBHOUSE - BRAD HARDY

Other than a few minor repairs, we've had a fairly quiet month. Three new computers were purchased as we needed to update to Windows 11. Our new pest control company has started and is doing a great job. As always, if you see something around the building that needs attention, please let me know. Brad
