It's the start of football season (Go Vols!) and cooler days are already here. I want to extend a big thank you to our managers and staff for a great job this summer. They have all worked extremely hard and I truly appreciate everything they do to give our membership a great experience at the club. Please make sure you share your appreciation and support to the Lakewood staff.

The course looks great but part of keeping the course that way is by making sure everyone is following the rules. Every year in the spring we send out a refresher of the simple golf cart rules such as fixing your ball marks on the green, filling divots in the fairway, etc. There are two rules that are constantly ignored and the frustrating part of this is it's not our new members it's our veterans that should and do know better.

- Please adhere to all cart rules. If the sign says cart path only, that means cart path only. If you think it is dry and we should be off the path, do not call the pro shop. That decision is solely at the discretion of the course superintendent and he is constantly monitoring the conditions throughout the day. He will call the pro shop if he determines we can change the cart rules for the day.

- Par 3's are cart path only at all times. Every other hole on the golf course is cart path only from 50 yards out. No exceptions!

It amazes me how many people ignore these rules. We just had a board meeting in which we talked about whether we should implement levels of discipline for members violating the rules. Please don't let it come to this. Peer pressure works best. If someone in your group is not following course rules or proper etiquette, then point this out to them in a constructive manner. Please be respectful to the course and your fellow members at all times.

Thank You, Bryan

IMPORTANT ANNOUNCEMENT! PLEASE DO NOT BRING EMPTY WINE BOTTLES TO THE CLUB FOR RECYCLING. THE CITY DOES NOT (AND HAS NOT FOR A WHILE) PICK THOSE UP. ALSO, PLEASE DO NOT DISPOSE OF YOUR PERSONAL ITEMS IN OUR DUMPSTERS. WE ARE CONSISTENTLY FINDING FURNITURE AND OTHER ITEMS LEFT BESIDE THE DUMPSTER AND OUR STAFF IS HAVING TO PUT THEM IN THE DUMPSTER FOR DISPOSAL.

WELCOME TO LAKEWOOD

HOLE IN ONE!!

John Rickman aced hole #7 on August 28 to claim the big Hole in One Insurance prize of \$1050. His playing partners were Steve Graham and Bob Van Patton. When you see John around the club, tell him congrats on his good fortune. This is John's second hole-in-one here at Lakewood.

If you feel a hole in one coming on it may be time for you to inquire about how to get Hole in One Insurance in the pro shop.

Once again, congrats to John on his big shot.

Kenny Saunders, Greg Gates, Bryan Hall and Steve Cope represented Lakewood in the PGA Pro Am at The Golf Club of Tennessee

GRILL & CHILL

RESTAURANT & BAR - CINDY RAMSEY & STEVE COPE

As mentioned above, please do not drop off wine bottles for recycling. The city does not pick them up and we have to take them to our dumpster. We have also been having issues with people dropping off furniture and other items and leaving them for us to put in the dumpster. Thank you for your help!

CLUBHOUSE CLOSED - TUESDAY, SEPTEMBER 2

CINDY & HER STAFF DO A WONDERFUL JOB - CALL LAKEWOOD FOR YOUR EVENT!

GREENS & GROUNDS - TREVOR VESTAL & GREG GATES

I think we would all agree that we need to share praises to Trevor and his staff for the great progress in removing the bunker and sodding on #3. Nice work! Once we get the dirt needed to complete #12 tee box, Trevor and his team will also complete that project. Shout out to the Tuesday Night Men's League that have offered to contribute funds to purchase the sod for this project. Great support from this group to improve our golf course!

We have received our second set of greens reels to bi-weekly verticut our greens. Sand is hard on the reels and top dressing bi-weekly takes its toll, so having an additional set on hand will help us maintain a good cut on our greens.

Lastly, as mentioned earlier, we ask that each member follow the cart path rules of the day, no carts on any par 3, return carts to paths 40-50 yards from any green. We need your support and compliance within your group.

If you see something, say something to your group.

Your help is appreciated in making Lakewood great!

CLUBHOUSE - BRAD HARDY

Our equipment for our internet WiFi has been finally updated and is now working great. To access our WiFi, go to your phone or laptop settings and connect to Lakewood guest WiFi. The password is "golfball" in all lower case letters. This last month we have dealt with many small maintenance issues. Some of the larger things we've done is repaired the ceiling leak from a central unit leak in the ladies locker room. We replaced a large beverage cooler that had been giving us trouble in the kitchen. We also replaced the timer and on/off buttons for the tennis court lights. As always, if you see anything around the club that needs attention, please report it to me or any of the Lakewood staff.

LADS & LASSIES

STEVE & WANDA COPE

It is hard to believe that the Lads & Lassie season is winding down. We have had many new couples join us this year and it has been fun getting to know them. We averaged 46 players per week this year. Some of the games we played are whacky, but everyone seems to enjoy them. The Lads & Lassie Championship Tournament will be a two-day event held September 13th & 14th. We have only 2 more events until the Championship. You must play with the same partner 5 times to qualify for the Championship Tournament. If you are unsure whether you meet the requirement, contact us and we can let you know. Even if you do not qualify for the Championship Tournament, you and your partner are still invited to the dinner and awards presentation on Sunday evening September 14th. As always, we appreciate the support of everyone that has played this year as well as the golf shop staff, the restaurant and bar staff, and the greens and grounds staff for their support. It has been a great year!
