WORDS FROM OUR PRESIDENT

TRENT McNABB

As we turn the calendar to July, I want to take a moment to reflect on another outstanding Member-Guest Tournament. The Barrel continues to be one of the premier traditions at Lakewood, and this year's event was especially meaningful as part of our Centennial celebration.

Congratulations to our 2026 Overall Champions, Davis McCord and Bill Majors, on an incredible victory. I also want to congratulate each of our Flight Champions and thank all 164 players who helped make the weekend such a success. The competition was outstanding, but even more importantly, the fellowship and camaraderie throughout the weekend reminded us what makes Lakewood such a special place.

Events like The Barrel simply don't happen without an incredible team behind the scenes. Thank you to our entire staff for the countless hours of preparation and execution. From the golf shop, grounds crew, kitchen, and dining staff, everyone played an important role in delivering a first-class experience for our members and guests.

I'd also like to thank our Member-Guest Committee for the many hours they invested in planning this event, as well as Keith Hayes for his continued support and contributions. Your dedication helps make The Barrel better each year.

Now we turn our attention to another fun Lakewood tradition, our Fourth of July celebration. We hope you'll join us Saturday, July 4th for the Firecracker Scramble beginning at 9:00 a.m., followed by the always-popular Lakewood Olympics later that day. It's a great opportunity for families to celebrate together and enjoy everything our club has to offer.

Thank you for being part of the Lakewood family. I hope you and your family have a safe, happy, and memorable Fourth of July.

THE LINKS

GREENS & GROUNDS - TREVOR VESTAL & GREG GATES

First, Trevor and I would like to thank you for all the positive comments as our major projects for 2026 are now complete. The course really looks good. All the rain we had early hindered our ability to work on the irrigation system, and at some point, we as a membership need to take steps to address the wiring concern within that system.

Second, I do want to recognize our (4) seasoned veterans on the staff, Benny, Taylor, Tanner and Ty, as well as our two new-comers, Brody and James. This crew is working hard for each of us each and every day. Also, shoutout to RD Perry, our greens mower during the week. We all know the importance of this role. Thank you to the entire Golf Course Maintenance Team for their dedication, hard work, and attention to detail throughout the year. Their efforts continue to elevate the experience for everyone who enjoys our course. I really appreciate the hard work.

I hope everyone loves the new wall that shows our new colors and logo! Special thanks to Betty Hand and Martha Merz with the magic brushes and talent!

Take time to notice the new flags on the practice green. We are currently using different flags to represent the different eras throughout the years. You may also notice that the putting green only has one hole; the other three flags are on a stake with a puck at the bottom. The purpose of this is to allow us to move the hole locations on a daily basis and to reduce wear on the turf, without having to cut a physical hole and have old cup plugs all over the green. And another added touch of class is our 2026 100th Celebration flags on the course. Nice touch Trevor!

Lastly, as we celebrate our 100th Anniversary in August, let's celebrate our Freedom to play this incredible game with family and friends this July 4th! Happy Birthday America.

TAKIN' CARE OF BUSINESS

EXTERNAL FACILITIES - JAMIE HICKS

It has been a busy month with the pool in full swing. We have added 14 new lounge chairs, 4 tables, 4 umbrellas and bases. I would like to thank Ryan Brazier, Shea Gaither, Jordan Enis, Andy Whitt, and of course Brandie Hicks. These people helped assemble the chairs and tables.

REMINDER:

PLEASE REMEMBER TO LOWER THE UMBRELLAS WHEN LEAVING THE POOL. WE HAVE LOST SEVERAL TO WIND AND WE NEED TO MAKE OUR NEW ONES LAST.

CLUBHOUSE - BRAD HARDY

Other than a few minor repair and maintenance items, we haven't had a lot of issues to deal with this past month. We are still troubleshooting the flickering lights in the lobby and bar which has been an ongoing issue. Hopefully this will be resolved soon. As always, If you see anything around the club that needs attention, please let me know.

LADS & LASSIES

STEVE & WANDA COPE

Our Lads & Lassie participation continues to draw new couples. Nikki & Drew Cochrane joined us for the first time June 10th and really enjoyed getting to know other Lads & Lassies in the Club. We have averaged 42 players each week for the first 10 weeks with a high of 50 and low of 34 players. We have played a wide variety of games, some are liked by most, some not so much! There is a variety of different players each week and people are meeting new couples in the Club, truly a social event.

Schedules sometime don't allow weekly play, but we appreciate seeing so many different couples playing this year! We welcome everyone to come join us for a lot of low-pressure fun 9 holes of golf on Wednesday evening at 5:00 pm. If you have any suggestions for improvement of Lads & Lassies, please let us know!

Lads & Lassies will not take place on July 8, due to the course being closed for aerification.

Thank you,
Steve & Wanda Cope
