WORDS FROM OUR PRESIDENT - TRENT McNABB

August promises to be a special month at Lakewood as we continue celebrating our club's 100th anniversary. I hope everyone will join us for the Centennial Member-Member golf tournament on August 22-23 and our Centennial Party on Saturday evening, August 22. This will be one of the highlights of our centennial year and a wonderful opportunity to come together with fellow members, celebrate Lakewood's history, and look ahead to its future. Whether or not you are playing in the tournament, I encourage you to attend the party and help us commemorate this important milestone. One hundred years is an incredible achievement, and we want every member to be part of the celebration.

I am also pleased to welcome Sierra Scott as our new Business Office Manager. Sierra will begin on August 4, and we look forward to having her join the Lakewood team. Betty will share more about Sierra in her membership update.

Around August 10, we expect to launch an enhanced Lakewood website and mobile app. These improvements will make it easier for members to stay informed, access club information, register for events, and take advantage of everything Lakewood has to offer. Please be on the lookout for an announcement when the new website and app go live. We will also share tutorial videos to help everyone become familiar with the new features.

As we celebrate Lakewood's first century, the Board is also focused on preparing the club for the years ahead. We have begun developing a long-term capital improvement plan that will help us prioritize projects, plan responsibly, and make thoughtful decisions about Lakewood's future. This process is still underway, but we look forward to sharing more details and several exciting announcements with the membership in the near future.

There is a great deal to be excited about at Lakewood. I appreciate the continued support of our members, Board, committees, and staff as we honor our history and work together to build an even stronger future for our club.

I look forward to celebrating with everyone on August 22. - Trent

We're thrilled to welcome Sierra Scott as Lakewood's new Business Office Manager.

Sierra comes to us with a strong administrative background and a genuine enthusiasm for serving club communities. She'll be working closely with members and staff to ensure our business operations remain smooth, friendly, and responsive. If you see Sierra around the clubhouse, be sure to say hello — she's eager to get to know everyone and become part of what makes Lakewood special.

Our 100th Anniversary Celebration is this month!

You may have seen a recent club email providing key takeaways from the recent 2026 Experience survey. The survey results confirm something we already suspected—Lakewood is a club that members enjoy, value, and are proud to call home.

It's no surprise that golf remains the primary reason members join however, just as important, many members told us that the friendships, welcoming atmosphere, and sense of community are what make Lakewood special. While golf brings people here, it's the relationships that keep many members connected year after year.

The Board of Directors appreciates your thoughtful feedback, your continued support, and your commitment to making our club even better. We're excited to use these insights as we continue investing in the member experience and look forward to sharing updates on our progress throughout the year.

Survey highlights, including detailed statistics and member feedback, is available via a link in the Bulletin Board on the Member Portal accessible via the Website and or the Mobile App!

BIG THINGS ARE HAPPENING FOR OUR MEMBERS!

CONGRATS TO ALAN JONES, ALEX MILLER, BRADFORD COOPER, & RD PERRY

Alan Jones qualified for the 71st U.S. Senior Amateur Championship
Baltimore Country Club East Course,
Lutherville, Maryland August 29 -
September 3, 2026!

Congrats to Alex Miller for his 5th Hole in One while playing in the Elite Match Play Event at Vanderbilt Legends South Course.
Hole #3 190 yards 6 iron.

Lakewood is so proud of Bradford Cooper! Bradford qualified as one of the Top 15 players in his Micro Division to compete in the SNEDS Tour Aspen Grove Challenge, the season-ending championship held at The Little Course at Conner Lane in Franklin. After four outstanding rounds of golf, he finished tied for 3rd place.

... and Congrats to RD Perry!
Hole in One on #3 July 7

GREENS & GROUNDS - TREVOR VESTAL & GREG GATES

Trevor and team have finalized our annual aerification and we are very pleased with the outcome. The greens are filling in nicely. They continue to work hard to keep up with mowing due to the amount of rainfall lately. In addition, Trevor has repaired the cracked pipe on hole nine.

A few key callouts that we are asking all Members help with:

1. *Par 3's – we now have new sand boxes close to the tee boxes. We MUST fill our divots on all Par 3's to help them heal quicker.*
2. *Driving Range – if the rule of the day is Cart Path ONLY – we must hit off the mat.*
3. *All players must check-in at the pro shop prior to play*

We have implemented a new process every Monday to top dress the driving range and fill in divots to help the range heal quicker. We are asking all Members to help in this area by hitting between the ropes in the defined area to manage the range and provide the best conditions throughout the year. Periodically, we will stay on the mat throughout the week as well to allow more time for range to heal. Your help is appreciated to help maintain our golf course.

In closing, I wanted to acknowledge the written responses from the Membership Survey. I will share with Trevor all the praises and the areas of opportunity as we strive to provide the best playing conditions while operating within the established budget. We continue to collaborate with the Greens and Grounds Committee to focus on priorities and areas of opportunity. We love your feedback and how we can make the Membership experience better each day.

Special thanks to your Greens and Ground Committee, Trevor Vestal, Clay Uselton, James McCord, Martha Merz, Trent McNabb, and Noland Gomez

BALANCING THE BOOKS

FINANCE - SIERRA SCOTT & JOSH CLAREY

Posting of Financial Summary forthcoming with the new website and mobile app later this month!

TAKIN' CARE OF BUSINESS

EXTERNAL FACILITIES - JAMIE HICKS

As the new school year begins, we expect to see fewer guests enjoying the pool during the weekdays. The pool will remain open through September, weather permitting, so there is still plenty of time to enjoy the remainder of the season.

As a friendly reminder, please lower all umbrellas before leaving the pool area. Unfortunately, we have lost several new umbrellas this summer because they were left open and damaged during overnight storms. We certainly understand that when an unexpected daytime storm rolls in, closing the umbrellas may be the last thing on anyone's mind. However, taking a moment to lower them before leaving helps protect our club's equipment and keeps replacement costs down.

Thank you to all of our members for making this another wonderful and successful pool season. We appreciate your support and look forward to seeing you at the club throughout the rest of the summer.

CLUBHOUSE - BRAD HARDY

It's been an incredibly busy month of repairs to keep the clubhouse running smoothly! In the pool bathrooms, we replaced both toilets and fixed an HVAC thermostat. We are also fixing the closet light in the ladies' locker room. On the trickier side, we are trying to pinpoint some electrical issues in the kitchen and are getting bids for a permanent fix. As for the attic condensation, wrapping the ductwork didn't stop the ceiling drips, and it turns out the insulation is bad in several spots. After patching some attic plumbing leaks and tackling basement drain issues, we are actively getting bids from insulation and plumbing contractors to get everything squared away.

As always, let me or staff know if you see anything else that needs attention!

Our Lads & Lassie participation continues to draw new couples, and they really enjoy getting to know other Lads & Lassies in the Club. We have averaged 40 players each week for the first 14 weeks with a high of 50 and low of 28 players. The weather certainly has a bearing on our numbers during the summer months. We have played a wide variety of games, some are liked, some not so much! The toilet seat game is due up soon so don't miss it, this game is a crowd favorite and is often requested! There are a variety of different players each week and people are meeting new couples in our Club, truly a social event. Schedules sometime don't allow weekly play, but we appreciate seeing so many different couples playing this year! We welcome everyone to come join us for a lot of low-pressure fun 9 holes of golf on Wednesday evening at 5:00 pm. If you have any suggestions for improvement of Lads & Lassies, please let us know!
