Words From Our President - Trent McNabb

As we move into April and the golf season picks up, it's great to see more activity around the Club, both on the course and in the clubhouse. This is one of the best times of year at Lakewood, and we have good momentum heading into the spring.

I want to recognize the outstanding job Nick and our kitchen team have been doing. I've personally had several great meals lately, and I continue to hear the same from others. The quality and consistency have been excellent. If you haven't been in recently, I'd encourage you to come out for lunch or dinner and enjoy it firsthand.

You'll also notice our new fleet of 30 golf carts out on the course—they look great and are a nice upgrade for the membership experience.

As a reminder, we are still collecting Lakewood memorabilia as part of our 100-year celebration. If you have any items you'd be willing to share or loan, we would love to include them.

Looking forward to a great month at the Club.

See you at Lakewood - Trent

As I read recently, membership is the foundation of every successful association, or in our case Lakewood Golf & Country Club. To thrive, we must focus on attracting new members while keeping existing ones engaged and invested. This requires a thoughtful approach that combines delivering clear value, leveraging technology, and building meaningful connections. As mentioned in last month's newsletter, Lakewood is making a huge leap in technology with the transition to Synergy, a web-based Point-Of-Sale (POS) system. Synergy training for the club management is underway as well as significant efforts in designing and populating the new system to fit our club's unique needs. In terms of delivering clear value and meaningful connections, the Membership Committee is partnering with the Social Committee and other key contributors, focusing on initiatives targeting the retention of existing members and adding new members. While there will be more to come as the initiatives progress, they include a membership questionnaire, new marketing materials, social media advertising and new member events. As always, we welcome your thoughtful feedback and look forward to hearing from you!

Please make sure the Business Office & Golf Shop have your email so that you Can keep up to date with everything Lakewood!

First of all, we are committed to "Continuous Improvement" and providing the best playing conditions possible while working within the established Budget. With that said - here is an update of work that has been completed, work in the pipeline, and certain conditions that require your help:

1) We are beginning to see healthy growth in all areas. This past week, we mowed all areas of the course for the first time this season. This is exciting as we kick off the new golf season.
2) We will keep a few holes "Cart path only" as we try to bring in new grass in those areas.
3) Trevor has applied all normal Spring spraying and our Spring fertilizer has arrived and we expect to spread in the coming weeks. The greens are summer time fast right now and very healthy.
4) Trevor and his team have added available dirt along some cart paths to correct dead and low areas.
5) We have completed painting all OB Markers on the property.
6) As shared out at our Annual Meeting, work is beginning with the irrigation system on Hole 10. As this project continues, we will bring in sod and make significant improvements to the entire hole.
7) We are finalizing our plans for (3) major projects:
   - Level and sod driving range
   - Level and sod Hole 17 tee boxes
   - Level and sod Hole 5 tee boxes
8) We will be getting bids to fix some needed areas of the cart path and really excited to begin this needed work.
9) Lastly, you will see new "Exit Markers" soon. These will be stained (brown) and will be designated to "Exit" back to cart path on all holes. We ask that all carts follow this new procedure and the 90 degree rule every day.

Special thanks to the Tuesday Night Men's League for purchasing sod for the driving range.

Thanks in advance for your support and see you on the course soon.

The course is turning green, the Masters is almost here, and Spring has officially arrived at Lakewood. This season already feels special, with plenty of excitement both on and off the course.

Friendly Reminders:

- Please check in at the Golf Shop before your round
- Keep golf carts away from tees and greens and stay ON the cart path at the tee box and the green.
- Walking on the golf course is not permitted unless you are playing

- The new fleet of golf carts has arrived! The style and color will add a much needed update from our old fleet. If you are interested in joining the cart plan - now is a great time! Contact the Pro Shop for more information.
- Callaway - Buy 3 dozen get 1 free expires April 6 - call today to order!
- March was a busy month, highlighted by our popular golf ball specials and our first fitting days of the year with Callaway and TaylorMade. More fitting opportunities are on the way in April: Ping on April 3 and Callaway on April 16.
- Old Buddy has begun! Round 1 is complete. Round due to be completed by April 15.
- Other events coming soon are: LLGA Spring Fling - April 7, Lads & Lassies Kickoff, April 8, and Men's League Opening, April 14.
- If improving your game is on your Spring to-do list, Brad is ready to help. With extensive coaching experience, he can tailor a program to your goals and skill level.

We look forward to seeing you in the Golf Shop and out on the course as we kick off another great Spring season at Lakewood.

Takin' Care of Business

External Facilities - Jamie Hicks

Clubhouse - Brad Hardy

The old ductwork in the dining rooms and bar have now been rewrapped and the a/c vents have been insulated to hopefully prevent future condensation and staining of the ceiling tiles. All of the stained ceiling tiles have been replaced which has made a noticeable improvement in these rooms. We purchased and installed a new 65 in tv for the pro shop. The large beverage cooler behind the bar was also replaced this past month. One of our large 10 ton commercial hvac units which was 25 years old has finally gone out. We are in the process of getting quotes to replace this unit which will be a fairly large expense. We've had more misc. electrical issues that we've had to deal with in the past couple of months. Finally, we've been changing lights, ballasts, and ceiling tiles in the basement to clean up this area. As always, if you see anything around the clubhouse that needs attention please let me or one of the managers know.

Lakewood Ladies Golf Association

Jennie Duncan & Lesa Baltz, Co-Chairs

Deby Barnett - Treasurer

Lisa Layton - Secretary

We are looking forward to starting our regular season with our kickoff Spring Fling Brunch/Meeting/Scramble on April 7.

Starting on Thursday, April 9, we will begin our regular season play. This year we will be playing on Tuesday's and Thursday's. Please be IN the locker room by 8:15 on the days you wish to play and we will draw for groups and tee off starting at 8:30.

Below, please find information and registration for our annual LLGA Invitational to be held on June 18 this year.
We hope you will join us for this fun event that raises money for Lakewood projects every year.

Lads & Lassies

Steve & Wanda Cope

Lads & Lassies will start off with our kickoff event on April 8th at 5:00 PM! We will have a putting contest to get the year started with a bang followed by dinner and our organizational meeting! Watch your email communications for more information. We will begin regular play every Wednesday at 5:00 starting April 15th. Couples are paired each week with someone different so new Members can get to know other Members. We encourage everyone to come out and join in the fun and fellowship and get to know each other better. We look forward to working with our new Golf Pro, Brad Gannaway this year. Feel free to call us for additional information.
